KNOW MORE ABOUT 2018/19 TARIFFS AND UNDERSTAND WHAT YOU PAY FOR

Council tariffs are reviewed annually and then increased by a determined % in line with budget guidelines. These equitable and affordable increments contribute to the running of the City and ensure continuous service provision to all the residents of the City of Johannesburg. Understanding your tariffs helps you know what you pay for and how it is calculated. Your tariffs are a structure that is used to determine what different property categories customers will be charged, this is to help customer pay in line with their usage and lifestyle, as well as property categorisation.

The City of Johannesburg levies property rates on the market value of a property. Properties are grouped into catergories and rated according to their values in the City's General Valuations Roll which is based on the size of the property and the improvements on the building. No rates are levied on the first R350 000 of the property value.
