

Application for High Density Residential Rebate

From 1 July 2019 to 30 June 2022

Condition

The high density residential rebate is applicable to properties that are developed with a minimum density of 80 dwelling units per hectare (ten thousand square meters).

A duly authorized representative/trustee may apply on behalf of the Body Corporate (or owners).

I hereby apply for the high density residential rebate for the property mentioned above as per the Rates Policy of the City of Johannesburg. The City's Policy allows for a 5% rebate on the current monthly rates payable.

The City, through its Department of Development Planning, may confirm that my residence was developed according to high density requirements.
